Mary's Boot

(Pincushion) by Deonn Stott
 Enlarge 135% for full size
 Add 1/4" seam allowance around all sides and cut 2, right sides together. If you want to line the pincushion, cut 2 of muslin also. Embellish front piece with lace, rick-rack, buttons, and etc. Layer main pieces, right sides together, then place one muslin piece on the bottom and one on the top. Pin together and stitch, using 1/4" seam allowance, leaving a 2" opening for turning. Stuff with crushed walnut shells, poly fiberfill, or other stuffing. Hand-stitch opening closed. Attach a ring to the back
