LONG DISTANCE DETAILS

It's hard to live so far away
When a sweet baby girl is on the way!
Family and friends spread far and wide
Would love to be there by Lauren's side,
But since we can't fly way over there
Let's do our best to still show we care!

We'll party here Hawaiian style and all of that hype
And we'll watch Lauren open your gifts via Skype!
So please shop early and if you do shop online
Shipping is free if you have [Amazon](#) Prime.
She's registered there and at [Target](#) too
Or shop elsewhere and mail direct to Honolulu.

Just send your gifts to **arrive by January 28**
To play it safe and make sure they're not late.
Ryler will monitor all incoming mail
And hide away gifts for the shower reveal.
Your love and support from so far away
Will mean more than ever on this special day.
We'll show Lauren, Ryler, and their sweet little dove
That distance can't separate friendship and love!
